

## Ingham County Genealogical Society Meeting - December 12, 1996

The monthly meeting held at the Vevay Township Hall, Mason, MI., was called to order by President Joyce Darrow at 6:30pm. All reports were dispensed with, and the business meeting was closed.

Thirty one persons present then enjoyed a pot-luck dinner. The ham and meat balls were furnished by the society. Table decorations and food preparation were provided by society members.

Following the dinner, members from the Mid-Michigan Genealogical Society, Bill Atkinson and Earl Watt, gave a presentation of the Internet Web Site Home Page, which now features Mid-Michigan, Eaton and Ingham County Genealogical Societies.

Randy Gladstone also displayed part of his collection of old local and regional photographs.

Report submitted by John Castle, Secretary
