

Ingham County Genealogical Society Meeting of January 14, 1999.

First meeting of the new year was brought to order by our President Sam Pardee. He introduced the guest speaker: Archivist, Myrna VanEpps from the Clinton County Historical Society.

Myrna informed us of the collection of research material related to Clinton County and what they had to offer genealogists. The information was very interesting and informative. The ICGS wishes to thank Myrna for taking the time to visit us in spite of the chilling weather.

We then took a coffee break.

A motion was made by Bruce BeVier to pay Mason City \$20.00 for the use of the City hall. Motion Second. Motion carried.

A motion was made by Isabelle Wells to have a table at this years Book Fair, April 11, 1999. Motion Second. Motion carried.

It was also suggested that perhaps other members could open their homes to out of state genealogists that wish to use the State Library. This was suggested after a e-mail cry for help on overnite accommodations in the Lansing area. Is there someone that could help?

Board of directors meeting will be held January 28, 1999, 7:00 PM, at the Hillard Building in Mason. Everyone Welcome.

Volunteers greatly needed for the Reference Room! Attend the volunteers meeting on February 4, 1999, 2:00 P.M. in the basement of the Mason Library. If you can't come please get in touch with Joyce Darrow and offer an hour or two. Every little bit of help will make our society grow!

Respectfully,  
Margie Griffin, Secretary (In Training)
