

Ingham County Genealogy Society Meeting Minutes for December 09, 1999

31 members and three guests were present at our annual Potluck Dinner/ meeting.

Jessica Parsons, daughter of Tammy Parsons, and Jack & Barbara Worthington of Grand Ledge.

Meeting was called to order by President, Sam Pardee at 7:30 P.M.
A motion to accept last month's minutes was made by J.W. Brownfield and seconded by Sally Landreville.

Isabelle Wells reminded us to keep those Spartan Labels coming. We should be receiving our first profit of \$20.00, and maybe even a bonus of \$20.00 from the labels already collected. It only takes 1000 labels that we would otherwise throw away, so lets start now for the year 2000.

Barbara Smith informed us that we would be receiving all the old Ingham County News and they would be labeled than they will be taken to the newspaper room, upstairs of the Library. Every six months we should also receive bound copies of the Community News this will keep the papers up to date. This will make over 100 years of Ingham County History open to the public.

Jack Worthington spoke on his interests in old barns, than helped out as our "Auctioneer" for the Christmas bargains under our tree. A great time was had by all, ending another year for the Ingham County Genealogy Society.

Margie Griffin, Secretary
